

UNITED WAY ENDOWMENT

Leave Your Legacy

To build on our strengths and prepare for the future, MSA United Way has established an endowment fund, with the goal that every dollar donated to our annual campaign be used to support local programs. A permanent endowment will provide a stable financial base for our organization, while allowing us to maximize the resources we direct to local citizens.

Supporting an endowment for operations requires foresight and vision. It's a rare opportunity to make a lasting difference. Making a leadership gift to our United Way's Endowment Fund is an opportunity to give back to this community in a way that will matter as much fifty years from now as it does today.

GIVE. ADVOCATE. VOLUNTEER.
