LIVE UNITED

Why partner with MSA United Way?

When you co-brand with United Way, you stand beside one of the strongest and most recognizable brands in the world.

MSA United Way offers an efficient, effective, and convenient way to meet your philanthropic goals within your company and community. We are local. When you give to MSA United Way you can be assured that 99% of your contribution will go to work right here in our community.

How does sponsorship help us LIVE UNITED?

Sponsorship is not only a viable promotional opportunity for your company, it can also work to position your company as a compassionate community leader and builder. By supporting MSA United Way marketing efforts with a Premiere or Presenting sponsorship, you're helping to unite people from all walks of life in an effort to provide solutions to our community's most pressing needs.

When sponsoring an event or activity, your sponsorship dollars enable MSA United Way to continue our mission without incurring additional costs. Sponsorships help to keep the focus on solutions and not event expenses, ultimately putting more money, more resources, and more volunteers into our community.
